

## License Transfer Form

If you need to get a license for a Pixelmania product transferred from one machine to another, either a node-locked or a floating server license, please fill in this form and email it to Pixelmania to this address [licenses@pixelmania.se](mailto:licenses@pixelmania.se). You must delete the license key on the old machine within 2 days of receiving the new replacement license key.

Name of the Pixelmania product to transfer:

---

Host ID of the old machine:

---

Host ID of the new machine:

---

Please explain the reason for needing to transfer the license key(s):

---

---

---

## Declaration

I agree to delete, including all backup copies of, the old license key referenced above within 2 days of receiving the new replacement license key.

Name (full name, printed):

---

Signature:

---

Company:

---

Date:

---
